MEMORANDUM FOR: [REDACTED] Chairman, Clandestine
Services Special Panel, Suggestion Awards
Committee

SUBJECT : Reading Material

25X1A

1. I mentioned during our meeting with [REDACTED] this week that we will send you a Handbook on the Suggestion and Invention Awards Program as soon as a few reports are completed.

2. However, to give the Agency Committee and the Special Panel additional program and related subject information and philosophy, we disseminated copies of selected articles acquired from National Association of Suggestion Systems Conferences, publications, and other sources periodically.

3. We pulled together the attached group of articles; past Committee and Panel Members have found most of these articles quite interesting. 25X1A If you would like us to send copies to Messrs. [REDACTED] for their interest, please let us know. [REDACTED] was furnished the material in his capacity on the Panel last year. Incidentally, [REDACTED] was sent to 25X1A the past two National Association of Suggestion Systems Annual Conferences by Chief, TSD and has acquired a rather extensive program knowledge.

4. The attached articles are unclassified and we invite you to add them to your library if they are of sufficient interest.
